

公司简介

COMPANY PROFILE

龙口麦特铝合金有限公司成立于2014年，专注于定制化铝挤压和压延铝产品解决方案。我们的团队拥有20多年的挤压行业制造经验和供应高端压延铝产品的丰富知识。我们的铝合金产品主要应用于道路交通、航空航天、军工、工业自动化、机械设备、临时建筑和其他工业领域。

我们能够满足挤压铝合金产品的各种表面处理，比如：银白氧化、喷砂氧化、硬质氧化和着色氧化，最长氧化铝挤压长度达15米。为了给客户提供一站式产品服务，我们联合合作伙伴一起投入了5轴加工中心和3轴加工中心，最长加工长度是13米，满足铝合金产品的各种铣削、钻孔、锯切和复杂加工。

用铝创造更好、更绿色的未来。

LONGKOU MAT ALUMINUM CO., LTD, specializing in customized aluminum extrusions and flat rolled aluminum solution provider, established in 2014. Our team has over twenty years' experience in aluminum extrusions manufacturing and high end rolled aluminum plate, sheet and coils in China. Our aluminum extrusions and rolled aluminum apply to road transport, aircraft and aerospace, military, automation, machinery, temporary construction and others industrial fields. We can be capable of working on various surface finishes for aluminum extrusions, e.g.: silver anodizing, sandblast anodizing, hard anodizing, the max length of treated aluminum extrusions is up to 15 meters. In order to provide one-stop solution for

customers, we have invested some CNC facilities with our partners, like 13m long 5-axis CNC and some 3-axis CNC machines.

Let us create together for better and green future with aluminum.
